

4 – 6 April 2016 | Berlin, Germany

3rd EPUAP FOCUS MEETING

The Role of Skin and Tissue Maturation
and Aging in Pressure Ulcer Research and Practice

ABSTRACT SUBMISSION GUIDELINES FOR ORAL AND POSTER PRESENTATIONS

You are warmly invited to submit abstracts on any topics related to the main theme on the meeting: **The Role of Skin and Tissue Maturation and Aging in Pressure Ulcer Research and Practice.**

Among the topics addressed in the scientific programme of the focus meeting we would like to highlight:

- Skin structure and function and skin research methods
- Characterizing and measuring skin and tissue maturation and aging
- Clinical problems associated with skin and tissue aging
- Pressure ulcers and related skin injuries in young and aged populations: epidemiology, risks, costs, clinical management
- Special considerations in managing aged skin: prevention and treatment
- Evidence-based skin care in young and aged populations

General information

- The abstract word limit is max **350 words per abstract**. The EPUAP Scientific Committee reserves the right to edit abstracts that exceed the word limit.
- The title should not exceed 200 characters including spaces. Please limit the numbers of authors to no more than 5, and indicate each author's affiliation. Do not use titles (e.g. 'Dr.', 'Mrs.') for author names.
- Max. 2 tables/figures
- Abstracts must be submitted in English.
- Accepted abstracts will be published on the conference website and in the abstract book for the conference. By submitting an abstract to the EPUAP meeting, you transfer all Copyrights to EPUAP, for the purpose of publishing the abstract in any printed or electronic form. Author's use of the material for educational purposes, inclusion in other publications, as well as posting it in the author's website is allowed.
- Individuals may submit more than one abstract, but max. 4 abstracts with the same presenting author can be submitted
- There will be a poster presentations session and one free papers session

All abstracts must be submitted in the [EPUAP abstract template](#).

Presentation

The authors of abstracts accepted for poster presentation will be invited to exhibit their poster.

4 – 6 April 2016 | Berlin, Germany

3rd EPUAP FOCUS MEETING

The Role of Skin and Tissue Maturation
and Aging in Pressure Ulcer Research and Practice

The authors of abstracts accepted for oral presentation will be invited to present their abstract during the free paper session on **6 April 2015 from 09:00 – 10:30**.

The EPUAP President will present at the Meeting Dinner the **best poster award**.

Review

All submissions will be peer reviewed by the scientific committee of EPUAP and you will be informed of the outcome of your application by February 5, 2016.

All successful applicants will be required to register as a delegate to the conference and pay the registration fee, as a condition for inclusion of their abstract in the program.
